COVID-19

Dear Phaesun Partner,

The current uncertainty is causing us at Phaesun to do everything we can to slow down the spread of the corona virus.

Your health, that of your family and that of the entire Phaesun team and their relatives is our top priority at Phaesun.

Business operations at Phaesun have so far only been minimally restricted and we continue to deliver all the components offered on time, as you are used to from us.

We have decided to minimise our business trips to the absolute minimum and to cancel our participation in upcoming exhibitions and conferences. However, we are still available to you as usual by telephone and online.

The whole Phaesun team wishes you and your family all the best in these difficult times. Please also take prudent precautions to get through this unusually unpleasant new situation together in good health.

Thank you for your friendship and trust in the work of the Phaesun Team.

Best regards

Your Phaesun Team
